### REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The prior art of record does not specifically disclose or remotely suggest

With regard to independent claims 1, 35, 71, and 73:

a detection component **employed by an outgoing message server**, the detection of a potential spammer being based in part on a total score per sender assigned to the entity of the at least one outgoing message **exceeding a threshold score indicative of a spammer**;

at least one action includes **limiting sending of outgoing messages by the entity to a specified volume of outgoing messages** until a subset of the at least one outgoing message are manually inspected by a human inspector and confirmed by the human inspector as not being spam.

In addition, Examiner points to the arguments of Applicant's representative (Arguments on 11/19/08, pp. 14 – 20; Arguments on 3/18/09, pp. 17 – 26).

2. These limitations, in conjunction with the other limitations in the independent claims, are not specifically disclosed or remotely suggested in the prior art of record.

A review of claims 1 – 38, 40 – 60, 71, and 73, in view of the Examiner's arguments above, indicates that claims 1 – 38, 40 – 60, 71, and 73 are allowable over the prior art of record.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kenneth R. Coulter whose telephone number is 571 272-3879. The examiner can normally be reached on M - F, 7:30 am - 4 pm.
